

Another door, another dollar

We had our first ever Dollar-a-Door fundraiser! This event was accomplished by small groups of 3P members going door-to-door throughout local neighborhoods and requesting a dollar from each household. Through this awesome experience, we raised \$1000 for the clean water well we are funding in Haiti in just 3 hours! A huge thank you goes out to the people of Lansing as well as MSU head basketball coach, Tom Izzo, for supporting us during this fantastic event!

Can you hear the ultrasound?

We are thrilled to announce that the ultrasound machine donated by a generous Lansing physician was shipped on May 20th, 2019! It is currently in Florida where it is loaded up in the shipping container that will bring it home. Unfortunately, due to the current political circumstances in Haiti, the last leg of its journey to Port-au-Prince is delayed. We organized a last minute Facebook fundraising campaign to fund the safe transport of the ultrasound. Within 4 hours, our goal of \$412 was exceeded. Once again, we cannot give enough thanks for the continued generosity that our friends and supporters have given us. This machine will be used for the benefit of countless Haitians thanks to you!

Take that, streets!

The Hit the Streets for Haiti 5K Run/Walk date has been set, and we are preparing for the event as you are reading this! We will have food, music, yard games, and of course, the refreshing 5K run/walk. Similar to the past two years, we will be hosting a silent auction at this year's event. Stay tuned for more information. This is our 3rd annual 5K run/walk and we hope to see your smiling faces there!
