# Addendum: Committee Details

### Community Research & Development (CE&D)

Focuses on developing educational programs for presentation during mobile clinics, hosting supplies drives and collecting donations to be delivered to Haiti, and managing quality control initiatives; Generates research projects to inform the direction of educational programs and assess needs of our communities

### **Fundraising**

Organizing and hosting a variety of events to raise funds and community support for 3P's projects and programs, namely the annual Hit the Streets for Haiti 5K

### Haitian Operations

Manages all aspects of connection to our Haitian partners on the ground, primary communication with 3P Liaisons and Community Leaders, stay abreast of current events in Haiti likely to affect our operations

## Public Relations

Manages 3P's public presence through maintaining our website, social media accounts, promotional materials, photography/videography, and various PR projects aimed at telling our story and raising community awareness of 3P
